We no longer offer terms on new accounts. **We accept only pre-authorized returns for items shipped in error. We will not accept returns for any other reason including dye lot differences between batches. Class orders require a 4-6 week lead time.** We now ship most orders using the USPS. High value orders may be shipped via UPS (our choice).

FIBER & RIBBON LINES

Shepherd's Silk - 50/50 wool/silk. Cross stitch -7-ct. Klostern. Needlepoint - basketweave on 12/13 ct. canvas or specialty stitches on 18-ct. canvas. Other uses include wool embroidery, crazy quilting, or bead crochet. Best used just as it comes—do not ply down.

Sheep's Silk -50/50 wool/silk .Do not ply down. Cross stitches best on 18-ct. linen, but may be used on as fine a count as 28-ct. (It compresses well when stitched on higher count fabric.) Needlepoint - basketweave on 18-ct. canvas. Wool embroidery and crazy quilting applications also. The Perfect thread for Punch Needle!! This thread looks like a miniature hooked rug when used for punch needle.

Silk 'n Colors-100% silk. 7 yards & 12-ply. Uses vary according to the number of ply used (1-ply for 32-count linen or finer, 2-ply on 28-count linen, 4-ply for 18-count basketweave on needlepoint, etc.) Majority of colors are space-dyed. We are adding a line of solid colors that we call 'Tints, Tones and Shades'. Each hue comes in 4 gradations from very pastel to very dark.

Silken Ribbons 4mm & 7mm-100% Silk Ribbon. Colors match with Silk 'n Colors. Various uses include: ribbon embroidery, specialty stitches for needlepoint, crazy quilting, ruching & embellishment applications.

Savoir Faire Ribbon 4mm -100% Silk Ribbon. Woven of spun silk, this ribbon has more defined 'ridges' and is 'thicker' than our regular Silken Ribbons. A wonderful choice for tassels, closures on needlecases/needlerolls, or any application where a ribbon with more 'body' is desired.

Silken Chenille-100% Silk Chenille. Dyed in a limited color range that matches the Silk 'n Colors. It is possible to use on canvas applications, best on 13-ct.. Other uses include surface couching, spider web roses, etc. Use short lengths and a large eyed needle.

Silken Pearl 15/3 & 30/3—100% cordonnet twist silk. Closes comparison in size is Pearl Cottons # 5 and #8 with similar stitching applications.

Oriental Linen-52/48 silk/linen. Use as a 2-ply for specialty stitches on 18-ct Canvas or basketweave on 13-ct. Canvas. Use 1-ply for basketweave on 18-ct. canvas. A slightly nubby thread, it adds textural interest.

Flax 'n Colors 20/2 & 16/2-100% linen. Use for Basketweave on 18-ct. canvas and over 2 threads on 18-ct. linen. Lines include both solids and space-dyed colors.

Woolly Whites-Wild Hairs & Woollies-Off whites, dyed colors and subtly dyed colors for beards, hair, animal fur etc. Best usage is for surface couching only.

Sanibel - 100% Kid Mohair - Fiber has exquisite sheen, with a hint of halo. Stitching applications vary, however it stitches very much the same as Sheep's Silk with the sheen and halo of fluff of mohair. You can brush it after stitching if desired.

Sea Grass - 100% Cotton - Thin, flat, matte finished cotton. Straight stitches for hair, straw, grasses etc. Basketweave on 13-ct. Soft, strong & easy to stitch with.
